For example:

- If the Red Team (Allies) captures Krosno, the Red Team (Allies) would gain 500 points. If the Blue Team (Axis) recaptures Krosno they would gain 500 points.

- If the Blue Team (Axis) captures Gorodok, the Blue Team (Axis) would gain 500 points. If the Red Team (Allies) recaptures Gorodok, they would gain 500 points.

Towns, cities and airfields located within friendly lines can not be captured for points.

For example:

- If the Blue Team (Axis) places units in Lvov (Nancy), then they do not get 1500 points. The Blue Team (Axis) can only gain the 1500 points if the city is lost to the Red Team (Allies) first and then the Blue Team (Axis) retakes the city.

- If the Red Team (Allies) places units in Lesko, then they do not get 500 points. The Red Team (Allies) can only gain the 500 points if the city is lost to the Blue Team (Axis) first and then the Red Team (Allies) retakes the city.
